

Hello,

It is once again time to register for the skateboard exhibition, this will be the 6th edition of the show presented by Transistor design and it will be held in Mai 2010.

The show will be made up of the work of up to 40 artists, these artists will create unique works on blank skateboards, and this show has the objective to energize the local and national skateboard, design and art scene. A silent auction will be held on the night of the opening. The whole sum from the sale of the skateboards will go to the artists.

An independent selection committee will choose the participants according to 3 criteria: visual quality, originality and the quality of the execution. Please know that the theme, the rules and regulations as well as the final date and location will be available soon.

Go to our [website](#), fill out the form and attach three of your realizations in jpg (less than 300k each please) before March 14th 2010, at 11h59pm. All the artists who sent a submission will be contacted following the committee's decision before the end of March.

If you have any questions or for information, please contact our team at expo@transistordesign.com or directly call us at our office 1.418.694.2050.

Good luck to everyone and thank you for participating in such high numbers year after year!
